++ Valid for broadcast between 0600 and 1800

Headline:
Mainly cloudy and showery for today.

Today:
Rather cloudy, particularly around the coasts through the morning, with occasional showers. Outbreaks isolated and light for much of the morning, before building into the afternoon bringing the risk of thunderstorms. Winds light. Maximum temperature 20 deg C (68 deg F).

Tonight:
Similar to the day with skies mainly cloudy with further showers, these frequent and potentially heavy at times, particularly overnight across Tayside and Angus. Minimum temperature 10 deg C (50 deg F).

Saturday:
More in the way of brighter spells than Friday, also further scattered showers, again some turning heavy, mainly for the afternoon. Winds light. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Sunday and much of Monday mainly dry, occasionally bright with light winds. Late Monday and through Tuesday increasing risk of periods of rain developing, possibly turning heavy with chance thunder.
